

Junior Project Coordinator

AlbaTech Solutions

Tirana, Albania

Full-Time

About the job

AlbaTech Solutions is looking for a motivated and organized Junior Project Coordinator to support project planning, operational coordination, and communication activities across multiple business and technology projects. This role is ideal for recent graduates or candidates with limited professional experience who are interested in developing a career in project management and business operations.

AlbaTech Solutions works with clients across technology, consulting, and digital transformation sectors, helping organizations improve operational efficiency and project delivery processes. We value collaboration, accountability, and continuous learning while maintaining a modern and fast-paced working environment.

As a Junior Project Coordinator, you will assist project managers during planning, documentation, scheduling, and stakeholder communication activities while gaining practical exposure to professional project management workflows and methodologies.

What You Will Do

- Assist project managers with project scheduling and task coordination activities.
- Prepare project documentation, reports, and meeting summaries.
- Monitor project timelines and support deadline tracking procedures.
- Coordinate communication between internal departments and external stakeholders.
- Assist with organizing meetings, workshops, and project presentations.
- Maintain accurate project records and operational documentation.
- Support project risk tracking and issue reporting activities.
- Participate in team meetings and contribute to workflow improvement discussions.
- Assist with project budgeting documentation and administrative coordination tasks.

What We Are Looking For

- Bachelor's degree in Business Administration, Project Management, Engineering, or related field.
- 0–1 years of internship or professional experience.
- Strong organizational and time management skills.
- Good communication and teamwork abilities.
- Familiarity with Microsoft Office tools including Excel and PowerPoint.
- Basic understanding of project management principles and workflows.
- Ability to multitask and work within deadline-driven environments.
- Fluent English communication skills.

What We Offer

- Professional mentorship and career development opportunities.
- Exposure to real-world project management operations.
- Collaborative and supportive working environment.
- Access to internal training programs and workshops.
- Modern office environment in Tirana.
- Career growth opportunities within the organization.

AlbaTech Solutions is an equal opportunity employer committed to innovation, diversity, and professional development.
