

About the job

Harmony Behavioral Health Institute is seeking an experienced Senior Clinical Psychologist to lead psychological assessment, counseling, and behavioral support services within our multidisciplinary healthcare environment. This role is ideal for professionals with strong clinical expertise, leadership abilities, and a commitment to evidence-based psychological care.

Harmony Behavioral Health Institute provides psychological and behavioral healthcare services across multiple specialties including anxiety management, trauma support, family counseling, adolescent therapy, and workplace mental health programs. We are committed to delivering compassionate and ethical mental healthcare through collaborative clinical practice and continuous professional development.

As a Senior Clinical Psychologist, you will oversee patient care plans, support junior psychologists, and contribute to mental health program development across the organization.

What You Will Do

- Conduct psychological evaluations, therapy sessions, and behavioral assessments.
- Develop individualized treatment plans for patients across different age groups.
- Provide counseling services related to anxiety, stress management, emotional regulation, and behavioral challenges.
- Supervise junior psychologists and support professional development initiatives.
- Maintain accurate psychological records and confidential patient documentation.
- Collaborate with psychiatrists, physicians, and healthcare teams regarding patient care plans.
- Participate in mental health awareness and educational initiatives.
- Support crisis intervention and emotional support services when required.
- Contribute to internal healthcare quality and mental health program improvement activities.

What We Are Looking For

- Bachelor's or Master's degree in Psychology or Clinical Psychology.
- Minimum 5 years of professional clinical psychology experience.

- Strong understanding of psychological assessment methods and counseling techniques.
- Excellent communication and interpersonal skills.
- Experience working within multidisciplinary healthcare or counseling environments.
- Ability to manage sensitive situations professionally and ethically.
- Strong documentation and organizational abilities.
- Fluent English communication skills.

What We Offer

- Competitive salary package and healthcare benefits.
- Professional development and advanced clinical training opportunities.
- Collaborative and supportive healthcare environment.
- Access to modern mental health support resources and programs.
- Career progression opportunities within the institute.
- Participation in conferences, workshops, and research initiatives.

Harmony Behavioral Health Institute is an equal opportunity employer committed to ethical care, diversity, and professional excellence.
